1. SUPPLEMENTARY INFORMATION

Shareholder's right to request that certain items be placed on the agenda of the General Meeting

A shareholder or shareholders representing at least one twentieth of the Company's share capital may request that certain items be placed on the agenda of the General Meeting. The request should be submitted to the Company's Management Board no later than 21 days prior to the date of the General Meeting, i.e. by September 23rd 2021. The request should be sent to the Company in the Polish language, in writing, or in electronic form to wz@grupalotos.pl. The request should contain grounds or draft resolution concerning the proposed agenda item. The request should be submitted along with copies of documents confirming the right of the shareholder or the proxy to participate in the General Meeting.

Shareholder's right to propose draft resolutions concerning items which have been or are to be placed on the agenda prior to the General Meeting

A shareholder or shareholders representing at least one-twentieth of the Company's share capital may, prior to the date of the General Meeting, submit to the Company, in writing at its registered office or by sending an email to wz@grupalotos.pl, draft resolutions concerning any matters which have been or are to be placed on the Meeting's agenda. Any such draft resolutions should be in the Polish language, in the form of PDF files or MS Word-supported files. The Company promptly publishes such draft resolutions on its website. The request should be submitted along with copies of documents confirming the right of the shareholder and the proxy (if he/she makes the request) to participate in the Meeting.

Shareholder's right to propose draft resolutions concerning items placed on the agenda during the General Meeting

Each shareholder has the right to propose during the General Meeting draft resolutions concerning the matters placed on the Meeting's agenda. Such draft resolutions should be prepared in the Polish language. In connection with the Company's declaration of compliance with the Code of Best Practice for WSE Listed Companies 2021, the Company recommends to shareholders that draft resolutions of the General Meeting to matters included in the agenda of the General Meeting be submitted by shareholders no later than three days before the General Meeting.

Exercise of voting rights by proxy

A shareholder who is a natural person may participate in the General Meeting and exercise voting rights in person or through a proxy. A shareholder other than a natural person may participate in the General Meeting and exercise voting rights either through a person authorised to make declarations of will on the shareholder's behalf, with effect for the shareholder, or through a proxy.

A power of proxy or a revocation of power of proxy should, under pain of nullity, be made in writing and attached to the minutes of the General Meeting or should be made in electronic form.

A power of proxy granted in electronic form does not require a secure electronic signature verifiable with a valid qualified certificate.

A form of the power of proxy, provided at the end of this notice, and a proxy voting form will be available on the Company's website.

A shareholder should notify the Company of granting or revoking power of proxy in electronic form by sending an email to wz@grupalotos.pl. In doing so, the shareholder should use their best endeavours to enable effective verification of validity of the power of proxy. A notice of granting power of proxy should include the proxy's and the principal's details (name, surname, PESEL (Personal Identification Number, if assigned), address of registered or actual residence, telephone number and email address), and in the case of legal persons or other organisational units – registered office address, number in the register, and registry body). A notice of granting power of proxy should also specify the scope of the power of proxy, i.e. the number of shares to be voted at the Meeting and the name of the Company.

A power of proxy in electronic form should be prepared as separate document signed by the shareholder or person(s) authorised to represent the shareholder. A scan of the power of proxy should be sent as an attachment in the PDF format to wz@grupalotos.pl

Documents evidencing the shareholder's right to participate in the General Meeting as well as documents (valid excerpt from the relevant register) confirming the authority of the power of proxy's signatory to represent the shareholder who is not a natural person must be obligatorily submitted along with an electronic power of proxy.

The Company will take appropriate steps to verify the shareholder's and the proxy's identity in order to check the validity of a power of proxy granted in electronic form. The verification

procedure may in particular involve contacting the shareholder or the proxy via a return electronic message or by telephone in order to confirm the fact of granting of the power of proxy and its scope. The Company reserves the right to treat the lack of reply to any questions asked during a verification process as inability to verify the power of proxy, which will be sufficient basis to refuse admission of the proxy to the General Meeting. On arrival at the Meeting and prior to signing the attendance list, the proxy should present the original of the identity document specified in the power of proxy in order to confirm his or her identity.

The right to represent a shareholder who is not a natural person should be evidenced by an official copy of the entry in the relevant register or a sequence of powers of proxy, to be presented at the time of drawing up the attendance list. Details of the person(s) granting power of proxy on behalf of a shareholder who is not a natural person should be specified in a valid excerpt from the relevant register or other relevant documents. All shareholders and proxies should carry a valid identity document.

The above procedure for identifying the principal applies accordingly to a notice of revoking a power of proxy. Proxy appointment or revocation notices which are not compliant with the requirements set out above have no legal effect with respect to the Company.

Members of the Company's Management Board and Company employees may act as shareholders' proxies at the General Meeting.

If a Management Board member, a Supervisory Board member, the liquidator of the Company, a Company employee or a member of the governing bodies or an employee of a subsidiary of the Company acts as a proxy at the General Meeting, the power of proxy is valid for one General Meeting only. The proxy is obliged to disclose to the shareholder any circumstances leading to any actual or potential conflict of interest and may vote exclusively in line with the voting instructions issued by the appointing shareholder. Granting further powers of proxy is not permitted.
